

A close-up photograph of a flower with vibrant orange and yellow petals. The flower is positioned in the upper right quadrant of the frame. The background is a dark, textured surface, possibly a rock or a piece of wood, with a diagonal crease running across it. The lighting is soft, highlighting the delicate structure of the petals and the rough texture of the background.

**Exodus 23:24 Thou shalt not bow
down to their gods, nor serve them,
nor do after their works: but thou
shalt utterly overthrow them, and
quite break down their images.**
