

A close-up photograph of a green stem with several bright yellow flowers. The flowers have a distinct red and brown pattern in their centers. The background is a solid dark grey or black, which makes the yellow flowers stand out prominently. The text is overlaid on the upper half of the image.

1st Samuel 17:04 And there went
out a champion out of the camp of
the Philistines, named Goliath, of
Gath, whose height was six cubits
and a span.
