

A close-up photograph of a butterfly with vibrant orange wings and black markings, resting on a textured grey rock. The butterfly's wings are spread, and its body is visible. The background is slightly blurred, showing more of the rock and some green foliage in the upper left corner.

2nd Chronicles 16:12 And Asa in  
the thirty and ninth year of his  
reign was diseased in his feet,  
until his disease was exceeding  
great : yet in his disease he sought  
not to the LORD, but to the  
physicians.
