

A serene sunset scene over a body of water. The sun is low on the horizon, casting a bright, golden glow across the sky and reflecting on the water's surface. A dark silhouette of a building, possibly a lighthouse or a small house, stands on the shore in the background. The overall atmosphere is peaceful and contemplative.

Isaiah 59:05 They hatch cockatrice'
eggs, and weave the spider's web:
he that eateth of their eggs dieth,
and that which is crushed
breaketh out into a viper.
