

A photograph of a small stream in winter. The water is partially frozen, with large, white, textured ice formations in the foreground and middle ground. Dark, jagged rocks are visible beneath the ice and along the banks. The background shows more rocks and some dry, brown grasses under a clear sky. The lighting is bright, suggesting a sunny day.

Jeremiah 07:07 Then will I cause
you to dwell in this place, in the
land that I gave to your fathers, for
ever and ever.
