

A close-up photograph of a flower with bright yellow petals and prominent red and orange variegation. The petals are glistening with numerous small, clear water droplets, suggesting it has been recently watered or is in a humid environment. The background is a soft, out-of-focus green, likely foliage.

Ezekiel 01:26 And above the
firmament that was over their
heads was the likeness of a throne,
as the appearance of a sapphire
stone: and upon the likeness of
the throne was the likeness as the
appearance of a man above upon it.
