

A close-up photograph of a garden bed. In the foreground, there are several smooth, light-colored stones of various sizes. Behind them, there is a dense patch of green, low-growing plants with small, pointed leaves. Interspersed among the greenery are several bright red flowers, some in full bloom and others as buds. The ground is covered with dark brown soil and some dried, brown leaves. The lighting is bright, creating strong shadows and highlighting the textures of the stones and plants.
