

A photograph of a small, shallow stream flowing over a bed of rocks. The water is a murky brown color. The left bank is composed of large, dark, jagged rocks. The right bank is covered with a dense thicket of bare, brown branches and some green grass. The text is overlaid in a large, white, serif font, centered across the upper half of the image.

Joel 02:25 And I will restore to you
the years that the locust hath
eaten, the cankerworm, and the
caterpillar, and the palmerworm,
my great army which I sent among
you.
