

A close-up photograph of a stone fountain. Water is flowing from a central spout into a shallow, irregularly shaped stone basin. The water is clear and creates ripples in the basin. The surrounding stone wall is made of large, rough-hewn blocks. The text is overlaid on the upper half of the image in a white, serif font.

Luke 10:11 Even the very dust of
your city, which cleaveth on us, we
do wipe off against you:
notwithstanding be ye sure of this,
that the kingdom of God is come
nigh unto you.
