

A close-up photograph of a cluster of hydrangea flowers. The flowers are in various stages of bloom, with some showing vibrant pink petals and others showing a mix of pink and pale yellow. The center of the flowers is filled with many small, green, unopened buds. Dark green, serrated leaves are visible in the background and foreground, providing a lush, natural setting for the text.

1st Thessalonians 02:19 For what is
our hope, or joy, or crown of
rejoicing? Are not even ye in the
presence of our Lord Jesus Christ
at his coming?
