

A close-up photograph of a garden scene. In the foreground, several bright pink cyclamen flowers are in bloom, their petals showing a delicate texture. The flowers are surrounded by dark green, heart-shaped leaves with prominent white variegation. The background is slightly blurred, showing more of the same foliage and a hint of a stone or concrete surface. The overall lighting is soft and natural, highlighting the vibrant colors of the plants.

Genesis 29:08 And they said, We
cannot, until all the flocks be
gathered together, and till they
roll the stone from the well's
mouth; then we water the sheep.
