

A close-up photograph of a cluster of vibrant pink flowers, possibly from a flowering shrub like a Hibiscus. The petals are layered and show some signs of being eaten, with small holes visible. The background is a soft-focus green, suggesting foliage. Overlaid on the upper portion of the image is a white text quote from the Bible.

Leviticus 22:28 And whether it be
cow or ewe, ye shall not kill it and
her young both in one day.
