

A close-up photograph of several bright pink daisy-like flowers with dark centers. The petals are covered in numerous clear water droplets, suggesting they have been recently watered or it has rained. The flowers are surrounded by lush green leaves, some of which also have water droplets. The background is a blurred wooden fence, providing a warm, natural setting. The text is overlaid in a white, serif font, centered across the upper half of the image.

given me, my brother? And he
called them the land of Cabul unto
this day.
